

JUNIOR

Hogares Luteranos el Buen Pastor / Dominican Republic
Good Shepherd Lutheran Homes

Junior is a very appealing, pleasant, well-behaved teenage boy. He enjoys being helpful and likes to work. For the first time in his life, Junior is attending school. On the first day, he decided that Kindergarten was definitely not the right place for him and he went next door to the 1st/2nd grade level. Before long, he decided that was not quite right either, so he moved into the 3rd/4th grade classroom. Here Junior has found his niche with his fellow students and the faculty.

Junior has cerebral palsy which has primarily affected his speech. His receptive language skills are good; one of the goals for him is to teach him to pronounce words.

Junior loves church. As with the other children in the group home, he was baptized on Easter Sunday and now all the members of the church are his Godparents. The small church community in Palmer Arriba assumes the responsibility for the physical and spiritual well-being of each of the children in the group home.

Junior delights in bringing his offering to the altar, pausing to solemnly bow and then turns around with a big grin on his face. He loves his Lord.
